This award-winning rum from the foothills of an active volcano on the island of Negros Occidental in the Philippines is a sublimely crafted drink that takes its quality from a combination of the volcanic soil, the quality of the sugar cane, the ageing in oak and the blender's art. It has a signature smooth taste and is divine on the rocks. However, it also makes for a great cocktail. This apple cocktail recipe is sure to put you in an autumn mood.

YOU WILL NEED

50ml Don Papa Rum
25ml Spiced apple syrup (or apple juice)
15ml Lime juice
Cinnamon powder

PREPARATION

Shake all ingredients with ice and pour into a cinnamon powder rimmed glass. If you wish to add any garnish you could choose from either a cinnamon stick or a thin slice of apple dipped in lime juice wedged onto the rim of the glass.

Don Papa Rum is available nationwide at good liquor stores, bars and restaurants at around R420 per 750ml bottle.
